

Type Anatomy Project

Create three 11 x17 inch posters that describe:

- *The name of a font
 - *The characteristics of the font
 - *3 anatomical terms and details about the font
-
- *You may use Red, Black or White type and background colors.
 - *Do this for three different fonts.
 - *Create outlines for ALL TYPE.
-
- *Create 3 artboards in one illustrator file
 - *Save the project as Lastname_Anatomy.ai for your records
 - *Save the project as Latname_Anatomy.pdf and bring to class.

FUTURA MEDIUM

The uppercase letter 'A' has a sharp apex, with a thick stroke throughout the letter shape.

The bowl on uppercase 'B' has no bracketing on left side. The upper bowl is less wide than lower bowl.

There is a square serif on the upper letter C. The letter is uniformly wide and has no bracketing.
