

# Setting a Quote Project

Create six 1000px x 1000px artboards in Illustrator

\*Choose one quote from a designer, artist, musician, poet, etc.

\*You may include the author's name, book title, etc.

\*Use the paragraph settings and experiment with the 5 types of paragraphs-

Flush Left, Flush Right, Justified, Centered, Random/Asymmetrical

\*Experiment with leading, tracking, kerning

\*Experiment with indents

\*You may use up to three colors per artboard

\*You may use only one font family per artboard, experiment with various weights, widths and slopes.

\*Create outlines for ALL TYPE.

\*Save the project as Lastname\_Quote.ai for your records

\*Save the project as Latname\_Quote.pdf and bring to class.
