

Midterm Portfolio Project

Collect and create a PDF of all the work you have created this semester

*Create a multiple page document in InDesign

***Revise and update all your projects**

*Label all your projects and provide descriptions as necessary

*Make sure your PDF looks organized and neat

*You can create it Letter Size or any other size you decide
(some of you may decide to create it in web size)

*Create outlines for ALL TYPE.

*Create a title page with your name

*Save the project as Lastname_Midterm.indd for your records.

*Save the project as Lastname_Midterm.pdf and share with class.

This is due next Monday, April 17th.

Midterm should include all 5 Projects

1. Elements & Principles Book*

2. Point and Halftone

3. Line Project

4. Shape Project

5. 3D Form Project

*You may want to show your best page(s) of this project

You may also include any other notes, sketches or drawings you created for this class this semester.
