Art 606 Final Portfolio Project

Collect and create a PDF of all the work you have created this semester

*Create a multiple page document in InDesign
***Revise and update all your projects**
*Label all your projects and provide descriptions as necessary
*Make sure you PDF looks organized and neat

*You can create it Letter Size or any other size you decide (some of you may decide to create it in web size)

*Create outlines for ALL TYPE.
*Create a title page with your name

*Save the project as Lastname_Final.indd for your records.
*Save the project as Lastname_Final.pdf and share with class.

Final should include

1. Brand - Creative Brief & Branding Elements
2. Brand - Web Advertisement
3. Brand - Poster and Billboard
4. Brand - Facebook Pages
5. Brand - Magazine Article
6. Brand - App Wireframe & Sitemap
7. Brand - App Design
8. Brand - App Animated
9. Brand - Website Design
10. Brand - Branded Merchandise

You may also include any other notes, sketches or drawings you created for this class this semester.

Extra Credit: Create a 20 second video commercial for your brand.
The video should be at least 1000x1000 pixels and up to 1920x1080pixels in size.
Create an animation in photoshop.
