

Elements and Principles Book

Create a 11 page layout that collects your Elements/Principles photos in a cohesive and stylized way.

Use the images you collected for the Elements/Principles hunt.
All images must be taken by YOU.
NO GOOGLE IMAGES!

Create at least 1 page for each of the Elements/Principles.
Elements - **Line, Shape, Texture, Color, Size.**
Principles - **Unity, Dominance, Balance Contrast, Rhythm**

Each page must have:

A title (name the Element/Principle)

A short description and explanation. (Describe and explain why you choose the images and their relationship to the word and its definition.)

At least one image

Create a title/cover page

InDesign recommended but not required.

*Create a 11 page document in InDesign -

Intent>Print and Page Size>Letter

*Use the columns in InDesign to guide your design

*Create outlines for ALL TYPE.

*Save the project as Elements_Principles_Book.indd for your records.

Final version must be in PDF format.

Save the project as Lastname_Elements_Principles_Book.pdf and share with class.
