# Midterm Portfolio Project

Collect and create a PDF of all the work you have created this semester

*Create a multiple page document in InDesign
***Revise and update all your projects**
*Label all your projects and provide descriptions as necessary
*Make sure you PDF looks organized and neat

*You can create it Letter Size or any other size you decide (some of you may decide to create it in web size)

*Create outlines for ALL TYPE.
*Create a title page with your name

*Save the project as Lastname_Midterm.indd for your records.
*Save the project as Lastname_Midterm.pdf and share with class.

**This is due next Monday, April 17th.**

Midterm should include all 5 Projects

1. Elements & Principles Book*
2. Point and Halftone
3. Line Project
4. Shape Project
5. 3D Form Project
6. Graphic Design History Layout Project

*You may want to show your best page(s) of this project

You may also include any other notes, sketches or drawings you created for this class this semester.
