

Course: ART 606

Title: GRAPHIC DESIGN III

Course Description

Students apply more advanced graphic design principles using computer graphics. Emphasis is placed on the creation of illustrations and digital images and their integration into page layout software to produce press-ready graphics.

Units/Transferability

Transferrable to CSU

Prerequisites/Co-requisites/Advisories

Prerequisite: Art 605 and Art 639 No Corequisites. No Advisories.

Course Student Learning Outcomes

SLO#1: Students will create a 2-color spot color project by applying learned skills in choosing Pantone colors for printing and corresponding paper for output to press. SLO#2: Students will create a multi-panel brochure using a grid system, importing graphics and photographs, and setting type in a page layout program while utilizing learned skills including determining the objectives and goals of the project through concept to client approval and choosing proper printing resolution, color profiles, and paper for output to press.

Grading Scale or Criteria

A - Excellent

B - Good

C - Satisfactory

D - Less than satisfactory

F - Failing

P - Pass; at least equivalent to a "C" grade or better

NP - Not Pass; equal to "D" or "F" grade

Drop and Repeats

Effective July 1, 2012 students are allowed three (3) attempts to pass a single class within the Los Angeles Community College District. If a student gets a "W", "D", "F", or "NP" as a grade in a class, that counts as an attempt. If you think you will not be able to complete this course with a C or better, please drop by the due date.

For all important dates make sure to visit <http://www.lacitycollege.edu/services/admissions/dates.html>

Attendance Policy

Students who are registered and miss the first time the class meets may lose their right to a place in the class. Whenever students are absent more than 10% of the total meeting days of the class, the instructor may exclude them from class. If the instructor determines that there are no mitigating circumstances that may justify the absences, the instructor may exclude a student from the class. Students are responsible for officially dropping a class that they stop attending.

Financial Aid

If you need help paying for books and other college expenses, call the Financial Aid Office at (323) 953-4000 ext.2010 or email finaid@lacitycollege.edu.

Accommodations

Students with a verified disability who may need authorized accommodation(s) for this class are encouraged to notify the instructor and the Office of Special Services (323-953-4000, ext.2270 or email oss@lacitycollege.edu) as soon as possible, and at least two weeks before any exam or quiz. All information will remain confidential.

Student Code of Conduct

Violations of academic integrity include, but are not limited to, the following actions: cheating on an exam, plagiarism, working together on an assignment, paper or project when the instructor has specifically stated students should not do so, submitting the same term paper to more than one instructor, or allowing another individual to assume one's identity for the purpose of enhancing one's grade (see LACCD Board Rule 9803.28). Penalties may include a grade of zero or "F" on an exam or paper, or even suspension from the College.

Additional Course Information:

This course will focus on the Adobe Suite (InDesign, Photo-
shop, Illustrator) as a tool for designing and creating
documents for web and for print. Students will use the
elements and principles of design (balance, line, shape,
form, balance, etc.), the grid system, design trends, and
class critiques to create and refine various graphic design
projects.

Students will create a series of projects that apply learned
skills in design software (Adobe Photoshop, Illustrator and
InDesign) for real world printing and web based output.
Students will create a portfolio of work centered around a
unique 'brand' and create all the necessary design assets.

Course Materials: Weblinks and handouts will be provided
in class. Lessons can be found at artsandjustice.org
You must have a FLASH DRIVE to turn in your work.

Submission of Work:

Work will either be handed in person or through the class
server. See handouts on website.

All projects and file names must be CORRECTLY
LABELED and be in the correct FILE FORMAT

ex: "LastName_FirstName_NameOfProject.filetype"

***Incorrectly labeled work receives ZERO credit.

***Late work receives HALF CREDIT

Grading Breakdown:

10 Projects (10 points each) - 100pts

Mid-Term Project - 20pts

Final Project - 20pts

Participation in Class Critiques - 60pts

Total Points - 200

***(Total points may change
depending on class progress)***

Classroom Behavior: Disobedient, disruptive or disorderly
behavior exhibited by any student may result in disciplinary
action in accordance with District policies and procedures.
