

3 Words Project

Illustrate 3 words in 3 different mediums.

1. Start with pencil sketches

-Experiment with the word, its letters, its definition

-The illustration can be based on text/font or can be expressive

-Experiment with making your type and the way shapes can be used to convey meaning

2. Once you have the preliminary pencil sketches ,

use different mediums to create a finished illustration.

- You may use colored pencils, markers, paints, collage, etc.

3. Scan/photograph all three or your finished illustrations

Make sure to scan at (at least)300 dpi/ppi.

4. Create a PDF of your work to turn in to the instructor

computer (Use InDesign or Preview to make a PDF)

5. PDF must be titled
