

Illustrated Poem

Create an illustration for a poem (quote, song, short story, slogan, article)

1. Start with pencil sketches

-You may want to illustrate the protagonist/subject of the poem/song/story

-The illustration can include all or some of the words from the poem/song/story

-The illustration can be a literal or abstract interpretation of the poem- experiment!

2. Once you have made at least THREE preliminary pencil sketches, choose one sketch to finish and illustrate.

3. Scan/photograph your finished illustration Make sure to scan at (at least)300 dpi/ppi.

4. Create a PDF of your work to turn in to the instructor computer (Use InDesign or Preview to make a PDF)

5. PDF must be titled
