

Spheres

Beginners Toolkit by JeyRam

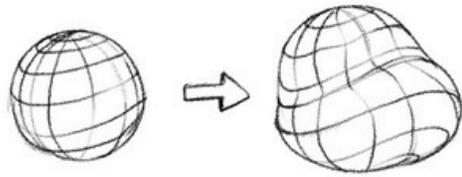

Copy from the examples and pay attention to the lines describing the inside of the spheres. These lines will help us visualize the space.

Do your best but dont stress about copying them perfectly!

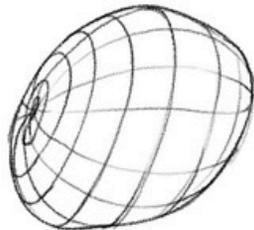

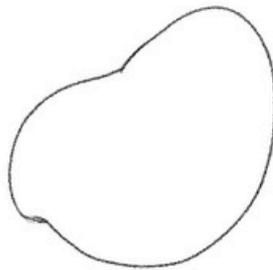

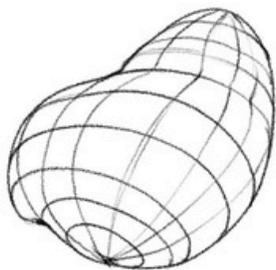

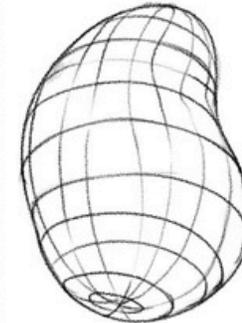

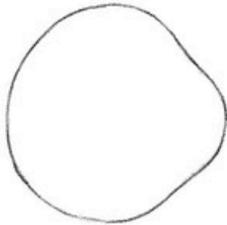

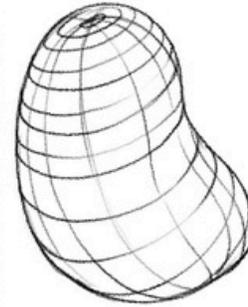

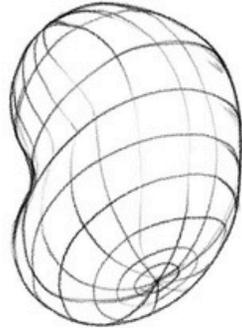

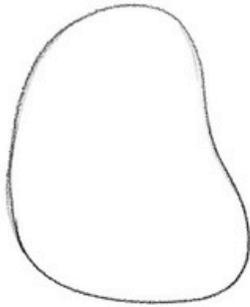

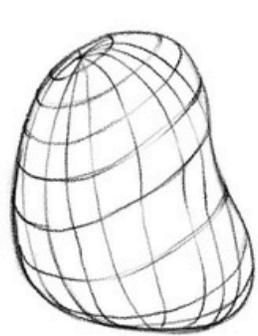

Blob

Beginners Toolkit by JeyRam

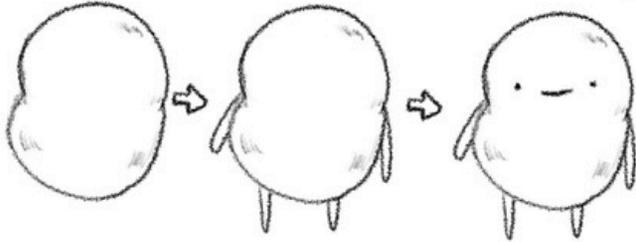

We can warp the shape of the sphere to create these blobs. By drawing the form lines we can visualize how they sit in 3D space which is very useful skill to develop as an artist!

Now lets use our blob shape to draw cute characters!
Follow the steps on the left

Chickee

Beginners Toolkit by JeyRam

Lets use our double blob shape to draw some cute chickees!
Follow the steps on the left, feel free to leave out the top piece
of the character if that is too difficult for you at this time!
