# Phonemes
The mouth shapes we make when we talk
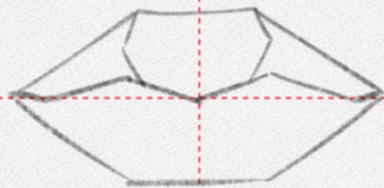

**draw a cross
add a v**

extend the v
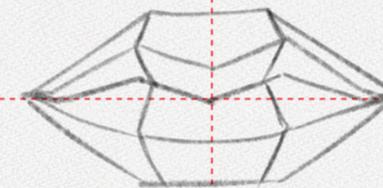

**add the top of
a hexagon**
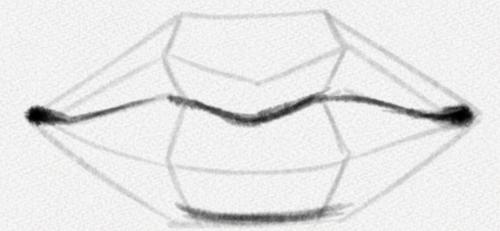

**add the bottom
of the hexagon**
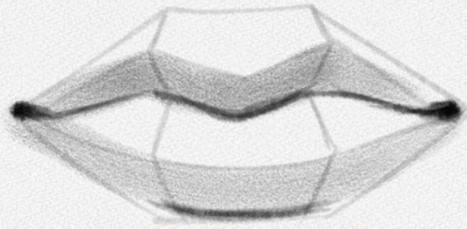

**add volume lines
to top**

**add volume lines
to bottom**

**add lines to
divide the top
& bottom**

**add
shading to
center, bottom**
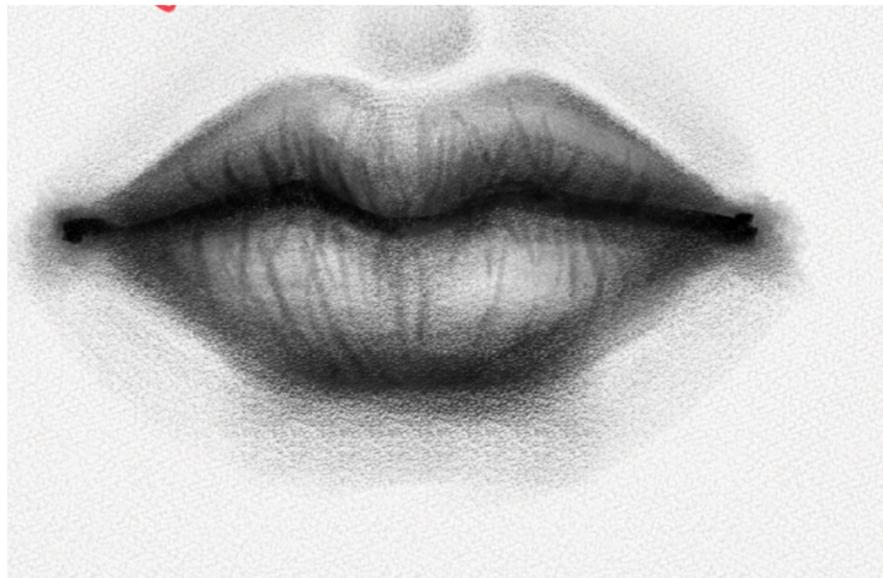

shade the bottom halves
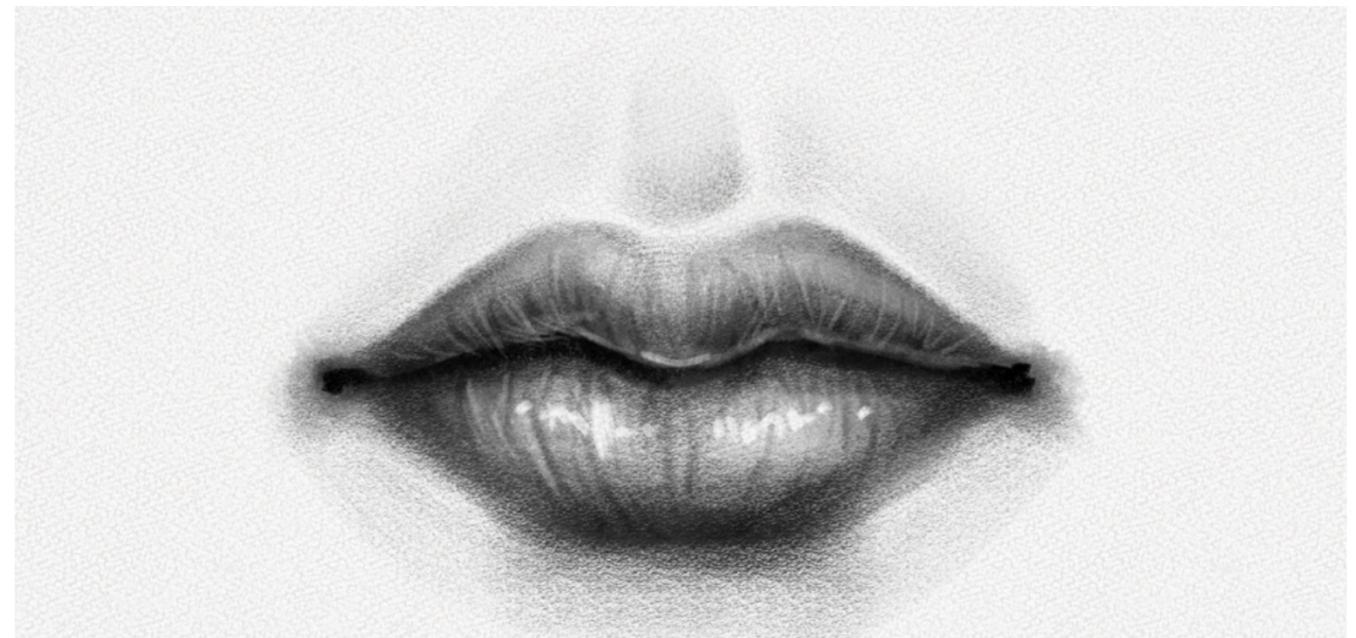

shade the upper regions

continue shading, define roundness

blend!

add lines to lips, shade outside

add highlights!
