

# **Favorite Things Drawing**

**Draw at least 5 things...**

**Divide your paper into an even grid and draw an image of each idea**

**Collage your ideas together, stack the drawings on top of each other**

**Arrange your objects on your table and draw it as a 'still life'**

**Arrange your objects on your table  
and draw it as a 'still life'**

**Arrange your objects on your table  
and draw it as a 'still life'**

**Draw various objects  
in your own style. Arrange them  
on the page so that you take up  
space and  
make a good composition.**

**Draw various objects  
in your own style. Arrange them  
on the page so that you take up  
space and  
make a good composition.**

**Add words to the drawings of your favorite items.**

**You could add scenes from  
your favorite movies and  
shows.**

**Draw in a unique style,  
use similar shading and  
blending.**
