

Summer Internship Opportunities with TrueCar, LACI, City of L.A., Snap and More!

Bixel Exchange is working with the City of Los Angeles and tech companies like Snap (maker of Snapchat), Headspace, Perception Robotics, and other companies to offer summer internships to students. These are PAID internships at major tech companies targeted to students from L.A. area community colleges, who are between 18-24 years of age.

We have several internships from companies like TrueCar, Snap and the City of L.A., along with many others. Internship positions include:

- Information Technology
- Software Engineering
- Product Management
- Marketing
- Big Data
- Production

If you're interested in any of these internships, check out our internships folder [**Student Internship Opportunities**](#). New internship opportunities are being added daily!

REQUIREMENTS:

- Must be between 18 and 24 years old (for all subsidized internships)
- Must be a City/County of Los Angeles resident (for all subsidized internships)
- Must have the right to work in the United States
- Must have reliable transportation to get to work
- Must be available to work at least 20 hours per week

IMPORTANT: Please note that you will still be considered for EMPLOYER PAID internships if you are above the age of 24 or live outside of L.A. City. You will not qualify for City Subsidized internships if you live outside of the City limits.

DEADLINES:

- **Feb. 12-16:** First round notifications - Intern candidates who submitted their applications by the early application deadline will be asked to participate in phone call screener interviews with Bixel Exchange
- **Feb. 19-23:** Conduct mock interviews with Bixel Exchange
- **Feb. 26-March 9:** Second round notifications - Intern finalists will be invited to phone interviews and in-person interviews by tech companies
- **On-going:** Offer students summer internships with tech company
- **May 1:** Applications for students close for Summer 2018
- **May 14-15:** Process student paperwork and pre-survey prior to internship start date
- **May 30:** Bixel Exchange internship orientation
- **Summer 2018 (June-Sept.):** Internship at tech company

TO APPLY:

Please note that early applicants receive priority consideration.

APPLY NOW

GUIDELINES:

For consideration, you MUST fill out the application completely. Please note: All submissions are confidential and are solely used for internal review.

1. Resume must be one page.
2. Must be a PDF. [Use this website to convert files to a PDF.](#)
3. If you would like to build your own resume easily, we recommend [this website](#).
*To visually showcase your technical skills, we also recommend the formats Blue Skies, True Red and All Points. However, most of these formats work well. If using this website, you will get one resume free.
4. [Click here for some good sample resumes, as well as for ideas.](#)

SELECTION PROCESS:

- Your resume will be reviewed and considered for the internships
- If your resume is selected, we will follow up and ask you (Round 1):
 - To schedule a 15-minute screener phone call
 - To schedule a mock interview
- After successful completion of the application and mock interview, we will debrief and then make our final candidate selections of who will be invited to a phone/in-person interview by a tech company

NOTE: If you are not selected for an internship or are unavailable in the Summer, please know your application will be kept on file for future internship opportunities in Fall 2018.

Should you have any questions in the meantime, please don't hesitate to reach out to bixelinternships@lachamber.com. We look forward to reviewing your resume!
