Sketchup Midterm Project

Create a Presentation and Animation of your work this semester.

You may choose to create the poster based on your Space or Object Model.

Requirements

At least:

3 Rendered Images of your space/product - with shadows, lighting and additional Elements from Photoshop

1 Floorpan/Orthographic view of the space/object in a simple line style

1 Paragraph describing your work with a Title set in larger font size than the body copy.

1 List of all colors and materials used with icons for each

Format

You can create a large scale one-page 11x 17 inch poster
OR
You can create a multi-page PDF of your work

Save your file as Lastname_Sketchup_Midterm.pdf

Animation

Create a 15 second (or more) animated video of your space/object.

Save this file as Lastname_Sketchup_Animation.mp4
