Drawing Acting & Posing
Create storyboard drawings that show the following:

-Line of Action (exaggerate) of your character
-Contrasting 'Lines of Action'
-Accurate Eye placement
-Anticipation before an action
-Use 2/3 poses to help explain a complex or repetitive action

The drawings should relate to your story.
Each drawing should have Slugging Info.

Methods
1. You may want to sketch on paper first.

2. Use a mirror or you cellphone to capture your own body and face

3. Ask a friend to pose for you. 'Direct' them to help exaggerate, emphasize and create more vivid storyboards.

4. Use Storyboard Pro to add these drawings to your project.

*note - this may also be done completely on paper. make sure to label your work with slugging and shot info.
