

DRAWING

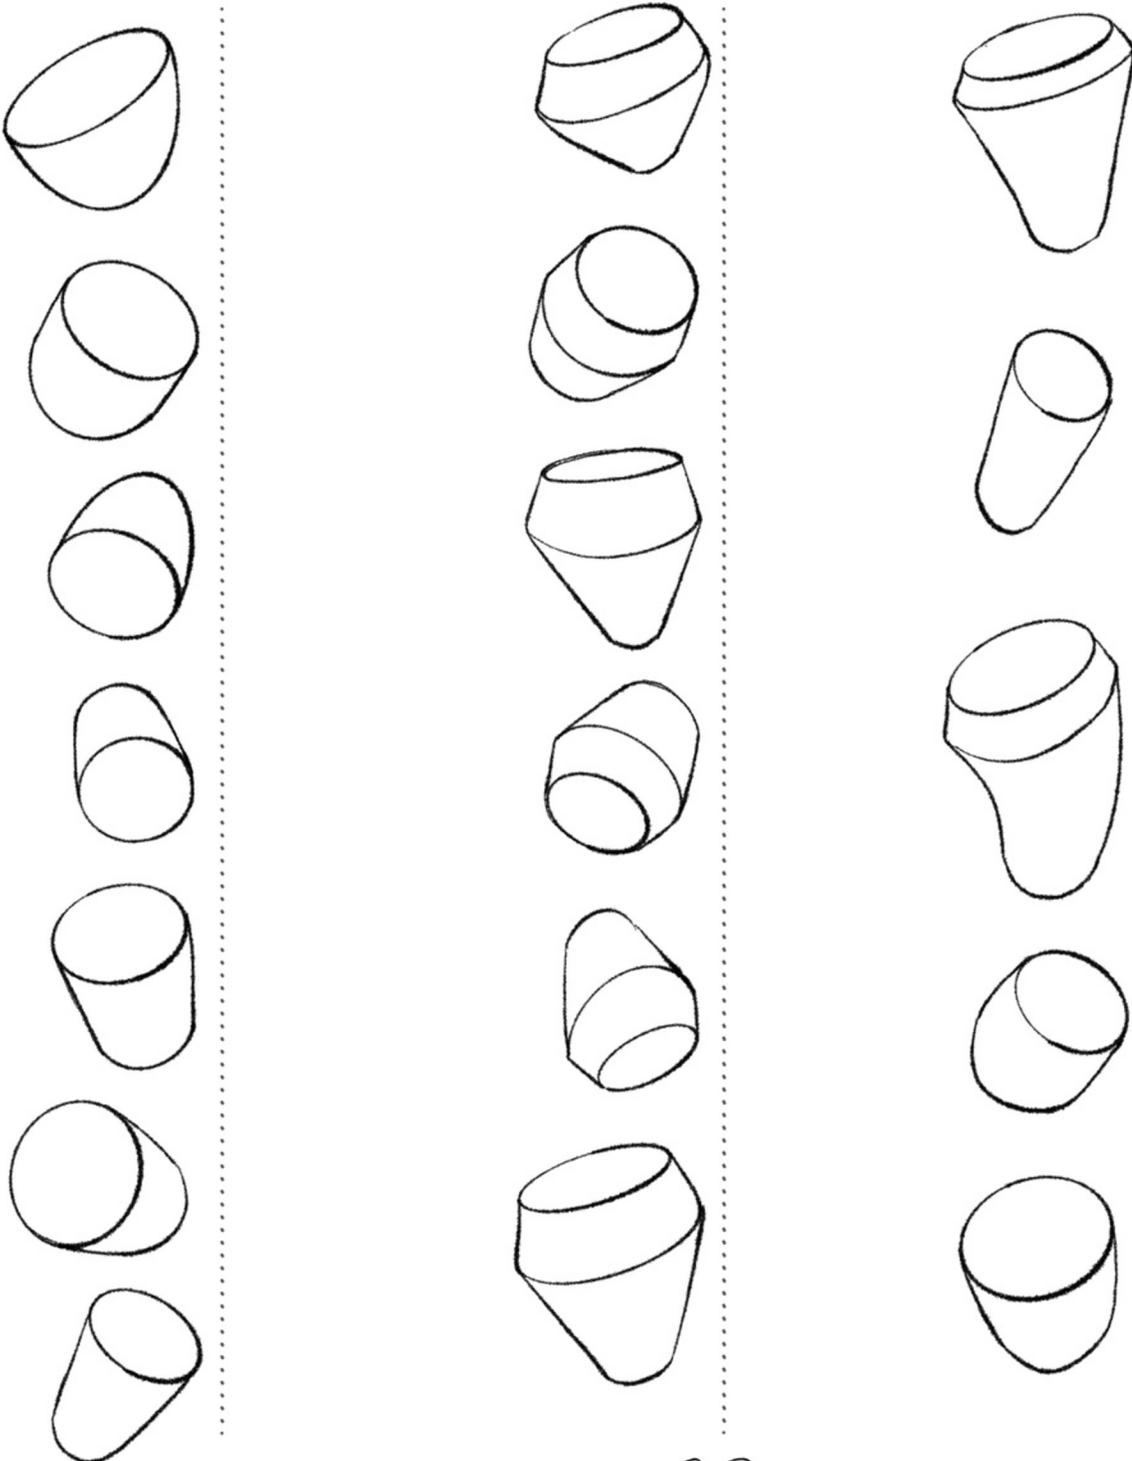

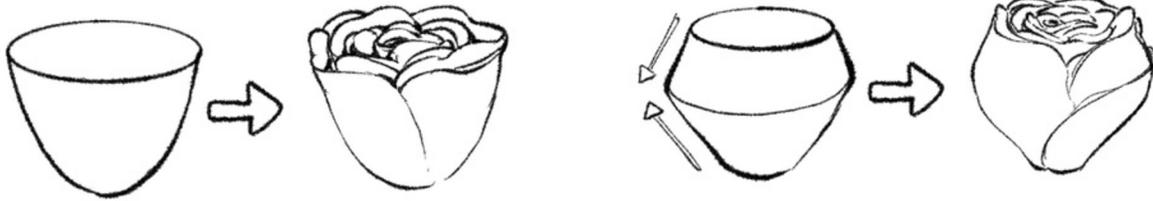

ROSES

PART 1

Rose Guideline

Flower Drawing Course by JeyRam

Draw a rounded cup shape and a pinched cup shape as the guidelines for the overall rose shape. Remember that it is more important to understand the concept than to copy the examples perfectly!

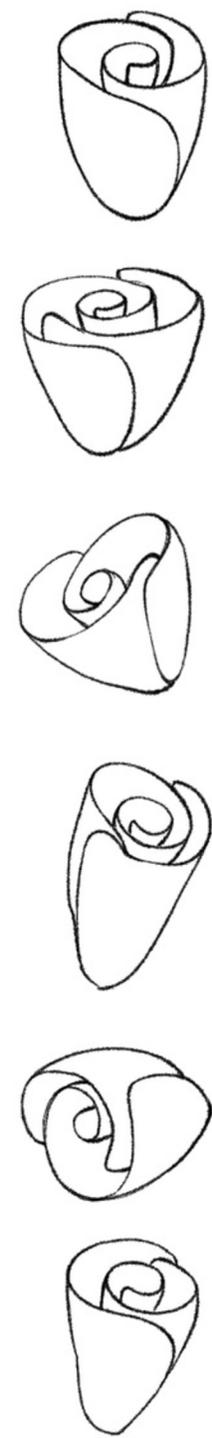

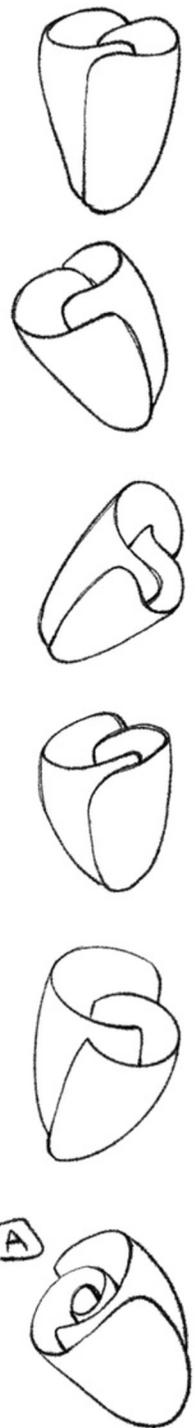

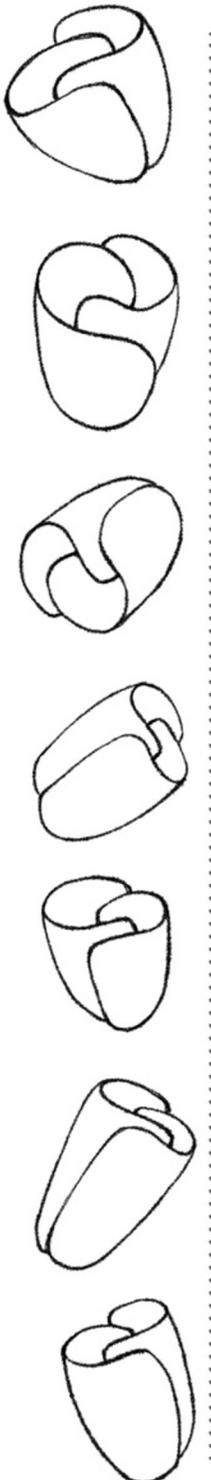

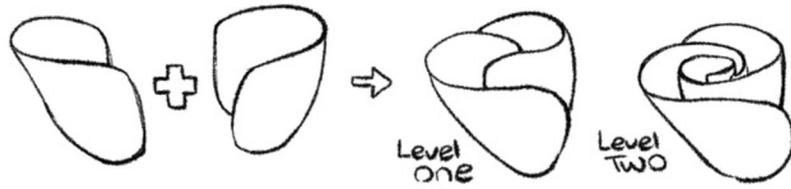

JeyRam

Twist

Flower Drawing Course by JeyRam

Let's use our Layering skill from earlier to draw the inner twisting of the rose petals.
Pay close attention to the overlapping lines, especially when you get to example [A] and beyond.

JeyRam

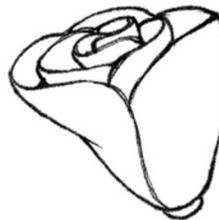

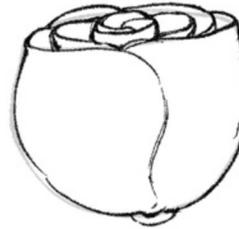

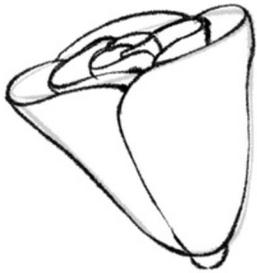

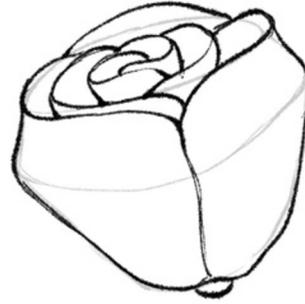

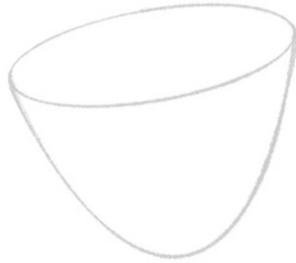

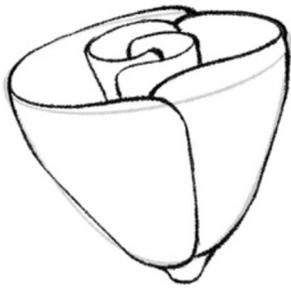

Rose

Flower Drawing Course by JeyRam

Using the guidelines and our twisting petals, let's draw some roses!

Take your time and erase as much as you need to.

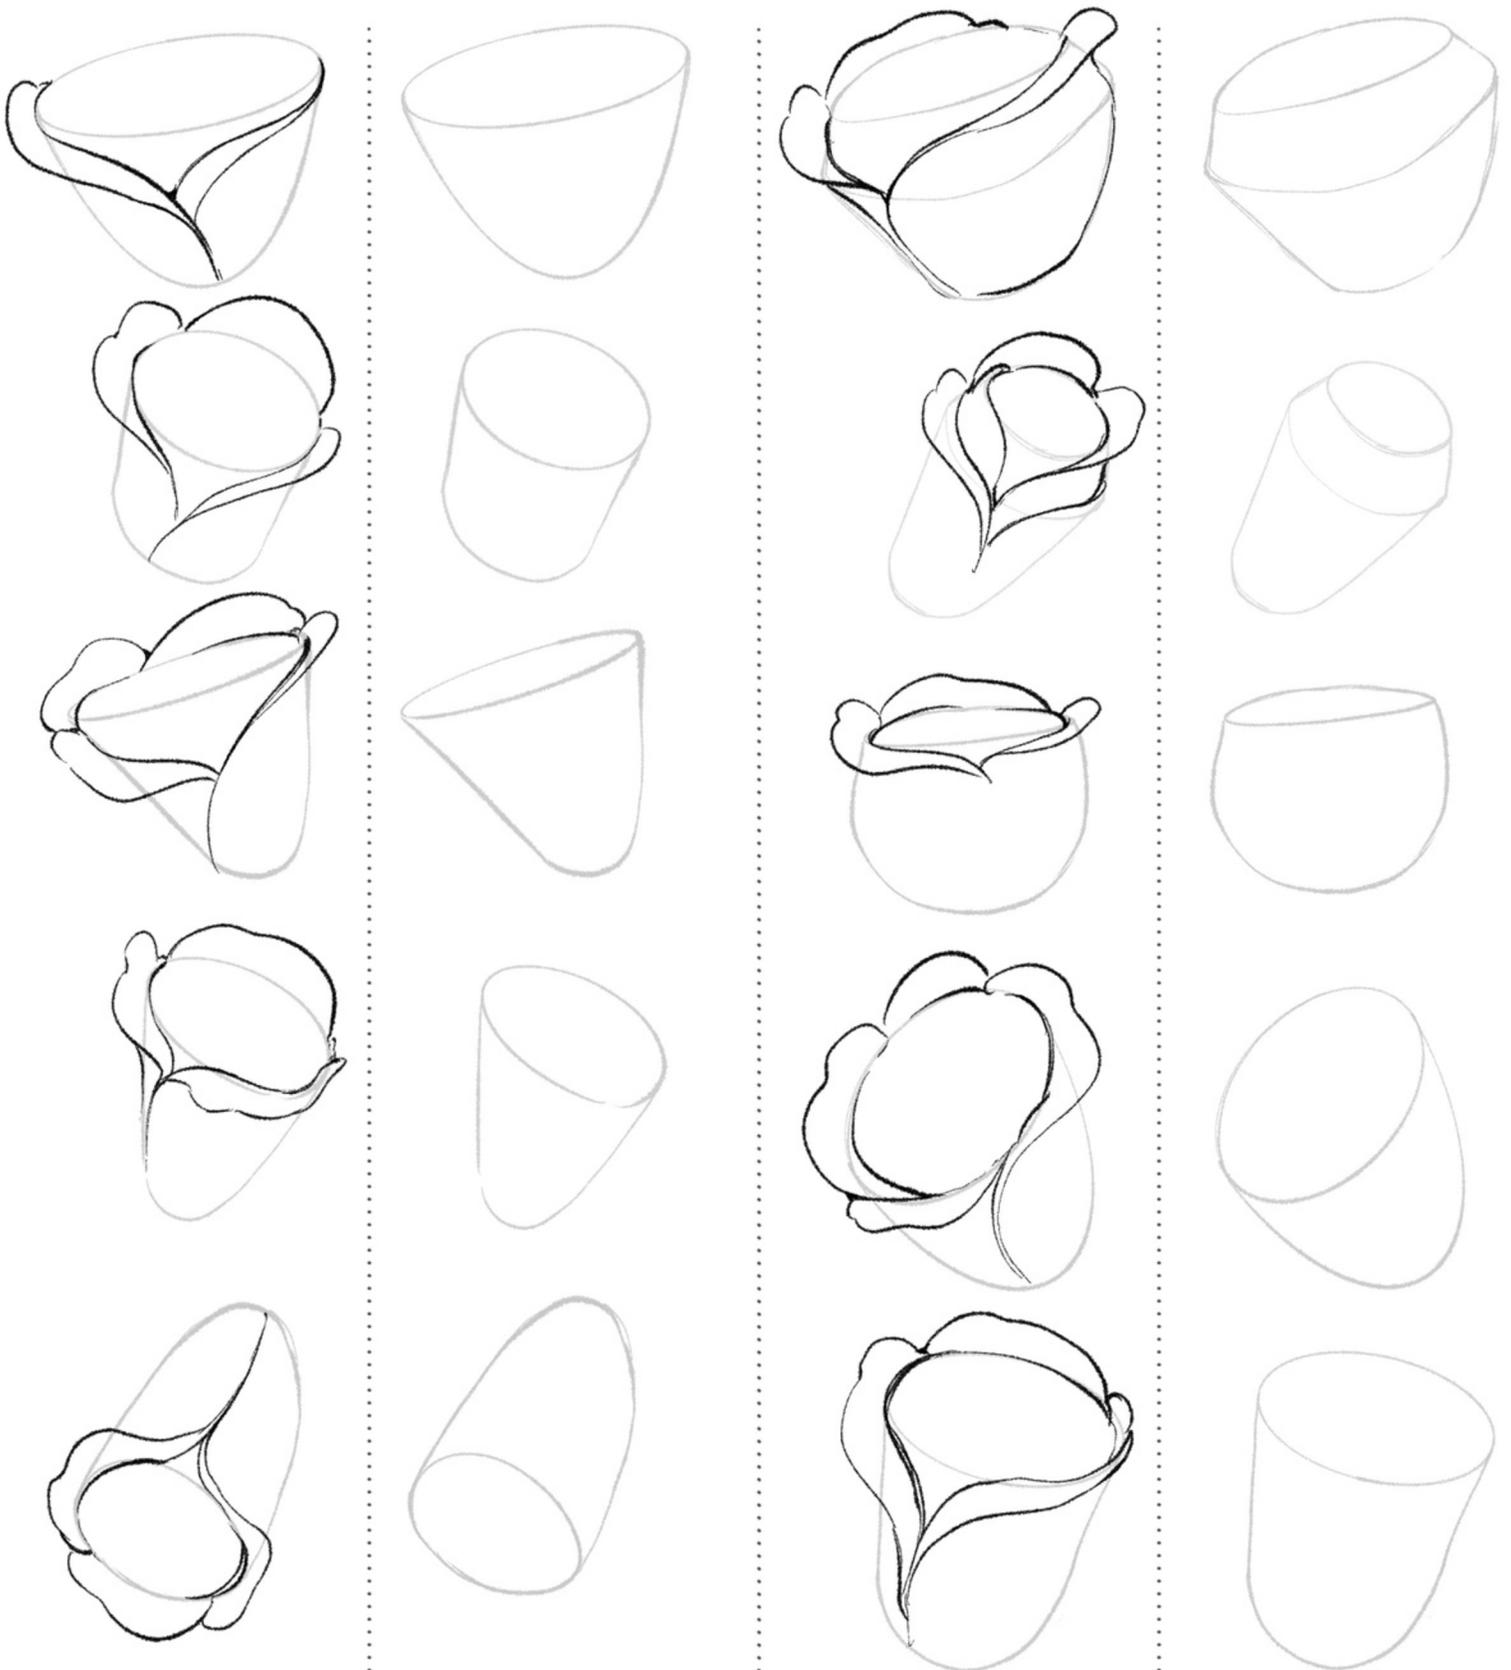

Be forgiving of your mistakes because this is not easy to learn!

Layered Rose One

Flower Drawing Course by JeyRam

Sometimes the outer petals of the rose will have a very unique shape, lets practice drawing these on their own before adding them to the full rose.

Layered Rose Two

Flower Drawing Course by JeyRam

Now we can take our roses and add even more layers of petals.
This can be challenging because there are so many
lines so take your time and try to have fun with it!
